"COME SAIL AWAY"

I'm sailing away
Set an open course for the Virgin Sea
For I've got to be free
Free to face the life that's ahead of me

On board I'm the captain
So climb aboard
We'll search for tomorrow
On every shore
And I'll try, oh Lord, I'll try
To carry on

I look to the sea
Reflections in the waves
Spark my memory
Some happy, some sad
I think of childhood friends
And the dreams we had

We lived happily forever
So the story goes
But somehow we missed out
On the pot of gold
But we'll try best that
We can to carry on

A gathering of Angels
Appeared above our heads
They sang to us
This song of hope and
This is what they said

Come sail away
Come sail away
Come sail away with me

I thought that they were Angels
But to my surprise
We climbed aboard their Starship
And headed for the skies

Alma Mater

Hail Southmoreland,

The school we love, We have strived to honor you,

Our hopes, our victories, that we treasure you,

In our hearts will still be new.

Our banner red and black

We proudly raise forever symbolizing

High school days, O Alma Mater, Alma Mater

Proudly we will sing your praise.

All hail Southmoreland

The school we love,

May our chorus always be,

A song which never will cease

To ring of eternal loyalty.
